

Illinois Association for Career and Technical Education (IACTE) Logo Contest

The Illinois Association for Career and Technical Education (IACTE) is holding a logo contest for its 96th Annual Conference and Annual Meeting. IACTE is the professional organization that brings together Illinois CTE professionals. IACTE is comprised of career and technical professionals in administration, agriculture, business, family and consumer sciences, health occupations, technology and engineering education, and new and related and special needs personnel at the middle, high school, and post-secondary levels. Additional information about IACTE can be found [here](#).

The student who submits the chosen logo will receive a \$50 gift card. The teacher of the student chosen will also receive a \$50 gift card.

The 2026 Conference Theme is – CTE: Skills for Success

The 96th Annual IACTE Conference will be held February 19-20, 2026, at the President Abraham Lincoln Springfield - a DoubleTree by Hilton Hotel in Springfield, IL.

Logo's should be related to the conference theme (given above) and should include the dates and location as well. This is a conference logo, not an IACTE organization logo.

- All images must be original.
- It is preferred that images be created in Adobe Photoshop or Illustrator and be at least 300dpi. Images should be saved as both the native file and as a print-quality PDF.
- All entries should be submitted by November 7, 2025 . E-mail entries to iactelogo@gmail.com.
- Please include the name and email of the student, year in school of the student, teacher's name, and school name.

The IACTE Conference Planning Committee is looking forward to viewing the logos made by CTE students in Illinois!

Thank you for what you do for the students in Illinois!

Chris Merrill, IACTE Executive Director
