

Directions for Creating an Account at Illinoisacte.org

Illinois ACTE transitioned away from our old site (iacte.org) to this new site (illinoisacte.org). If you have not already done so, you will need to create an account at the new site. Below are instructions to create an account. If you have any questions, please contact Chris Merrill at info@illinoisacte.org.

Step 1: Click on the Login button

LOGIN and REGISTRATION

Welcome to IllinoisACTE.com. For those who are returning members, please login using the blue section. For those who are new to IllinoisACTE.com, please register with us using the green area, providing the appropriate credentials.

**If you are new to this IACTE website, you will need to create a new username and password*

Step 2: Scroll down to “I want to become a member” and fill in your information.

A registration form with a light green background and a title "I want to become a member!". The form contains several input fields: "Name" (split into "First" and "Last"), "Username" (with a note: "Only lower case letters (a-z) and numbers (0-9) are allowed."), "Email Address" and "Confirm Email Address", "Phone", "Password" and "Confirm Password". Each field has a small blue arrow pointing to it. At the bottom, there is a "Profile Picture" section with a dashed border and a note: "Drop a file here or click to upload. Maximum file size: 510MB".

Step 3: Click on the “register” button at the bottom of the page. You should not receive an email from the new website confirming that you have created an account. Once an account has been created, you are free to register for any IACTE or ACTE event on the website.
